Enhance your district's capacity to recognize, support, & refer teens with serious behavioral health challenges! The Expanded School Mental Health Team at UR Medicine has received federal funding from SAMHSA to offer a series of **Project ECHO® [Extension for Community Healthcare Outcomes] trainings**. UR-SOS will also partner with **Mental Health First Aid USA** to offer a **FREE 3-day Youth Mental Health First Aid Training of Trainers** for at least one of your ECHO Team Members. Participating teams will also be trained in how to access a **NEW PILOT Urgent Intervention Service** referral stream for school mental health professionals, and will receive access to the **UR-SOS School Mental Health Toolkit**, with best practice tools and community resources to support teens with serious behavioral health challenges.

### Participate in UR-SOS Project ECHO!

#### What is Project ECHO?

Project ECHO is a tele-mentoring model used to support case-based learning and provide specialty training for professionals supporting teens with serious mental illness. Mental health, community experts, and school staff will discuss how to provide support and implement practices to address the mental health needs of students.

#### Bi-Weekly URMCSOS-ECHO® Topics

**Feb:** Recognizing and Approaching Youth in Distress

**March:** School-Based Safety Planning

**April:** Brief Crisis Intervention & De-Escalation

**May:** Referral to Treatment & Community Resources

**June:** Special issues in Serious Mental Illness

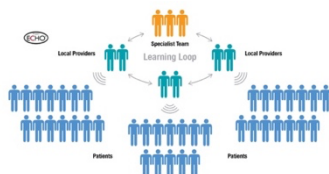

*School-Based Case Consultation Offered Throughout*

#### URMC SOS-ECHO® Hub

Partner from County Office of Mental Health  
Dr. Melissa Heatly, Ph.D., School Mental Health  
Dr. Allison Stiles, Ph.D., Adolescent Mental Health  
Jerard Johnson, Community Resource Management  
*With Monthly Special Guests, tailored to your region.*

#### School-based SOS-ECHO® Teams

Can consist of School Mental Health Staff, Nurses, Administrators, Teachers, or anyone else interested in learning about adolescent mental health (Max = 8).

### Develop a Youth Mental Health First Aid Trainer!

#### What is YMHFA?

YMHFA teaches adults who work with youth the skills needed to **identify, understand, and respond to signs of mental illness and substance use disorders**. Adults learn how to reach out and provide initial support to youth (12-18 years old) who may have a mental health or substance use problem and connect them with appropriate care.

#### YMHFA Training of Trainers

Training of Trainers is a **3-day training** that certifies participants to conduct YMHFA trainings to adults working with youth in their community. UR-SOS will offer a FREE YMHFA Training of Trainers classes for at least 1 of your ECHO Team Members.

#### Maintaining Certification

Newly certified trainers will be required to provide at least 3 YMHFA trainings in the 1<sup>st</sup> year. To maintain YMHFA certification (*optional*), trainers should continue offering 3 YMHFA trainings/year.

#### Who Might Trainers Train in their Community?

- Teachers
- Coaches
- School staff
- Parents
- Youth group leaders
- Camp counselors
